the **BIG** one!

The Big One! Displays elevate your trade show presence with **large fabric graphics on an elegant, curved frame**. Stretching a full 116" W x 96" H on the 10 ft. display (232" W on the 20 ft. version), The Big One! is impossible to ignore.

The Big One! Displays assemble without tools. Both the 10 ft. and 20 ft. versions ship in roto-molded case(s) with wheels and pack in reusable die-cut foam for years of care-free use.

Features + Benefits:
